You ads will be place depending on the type of listing you choose.

The screenshot displays the Business Local Search website interface. At the top, there is a navigation bar with a search input field and a 'Post an Ad' button. Below this, a 'Featured Listings' section highlights a 'Featured Listing - Normally \$187' for 'Lakes Entrance Plumber' at a special price of '\$99'. To the right, a 'Banner Listing' is advertised at '\$220', normally priced at '\$330'. A 'Sponsored Ads' section features a 'Sponsored Listings' offer for '\$110', normally '\$220', with a 'Special for only \$77' promotion. The 'Ad Categories' section lists various professions such as Bookkeeper, Doctor, Mechanic, Builder, Driving School, Plasterer, Car Hire, Electrician, Plumber, Dentists, Landscaper, Restaurant, and Window Repairer, with their respective counts. A 'Just Listed' section shows two listings: 'Ballarat Plumbers' and 'Geelong Plumber', both with special pricing. A user profile sidebar on the right shows a welcome message for 'admin' and options to 'Manage Ads' or 'Edit Profile'.
